

# EXECUTIVE COACHING

## FOR CATHOLIC SCHOOL LEADERS

**Mission Driven Catholic** is a nonprofit apostolate seeking to revitalize Catholic schools to be centers of evangelization for students and their families. We help Catholic school communities **encounter** Christ. We recruit, form, and equip Catholic school leaders to **transform** their communities. We continue to **support** them to pursue the evangelizing mission of the Church.

Effective schools begin with effective school leadership, so we provide executive coaching and formation to support principals in their vocations as Catholic community leaders.

Principals will receive instruction and set goals in the **four pillars of effective Catholic school leadership**:

- **Instructional Leadership**
- **Spiritual Leadership**
- **Organizational Leadership**
- **Entrepreneurial Leadership**

Each program is a **10-month experience**, providing you with personalized, mission-driven support rooted in prayer and your Catholic school's unique charism, with practical guidance customized to your leadership needs. With access to advice, prayerful discernment, and mission-focused expert counsel, we stand alongside you as a true partner in Christ.

Since Mission Driven Catholic is a nonprofit and an apostolate, our prices for Catholic schools and dioceses reflect our desire to further the evangelizing mission of the Church by making our services **affordable and accessible**.

### WHY CHOOSE US?

*"Dan is literally there whenever I need him. He's helped me tremendously: he's there when I call, he reaches out to check on me, he sends messages that he's praying for me and my school, and that means a lot. He's the type of mentor who sits and listens and gives advice, but he also knows how much we can handle at a time. That really built my confidence to know I could come to the right decision."*

—Katie Rorrio, Principal, St. Stanislaus School, MA
