

MISSION DRIVEN
CATHOLIC

CATHOLIC SCHOOL PRINCIPAL

VIRTUAL FORMATION PROGRAM

Mission Driven Catholic offers a virtual formation program for both *new* and *experienced* Catholic school principals.

THE FORMATION PROGRAM

Our approach to principal development focuses on addressing the unique needs that Catholic school leaders face. By receiving instruction in the four critical areas of leadership, principals have the opportunity to prioritize their needs and work with an expert in making the mission-driven decisions necessary to increase their school's operational vitality, address student learning, build programs, and address their school's Catholic culture connected to the mission of the Church.

By working in a cohort, principals get to establish relationships with others who are in the field and have access to support when dealing with the many difficult decisions that face them on a daily basis. Our monthly virtual meeting schedule provides flexibility and access for Catholic leaders to grow professionally, lead their schools effectively, and keep in mind the important decisions necessary to help their schools flourish.

HOW IT WORKS

Mission Driven Catholic's virtual principal formation service includes eight meetings over the course of the school year, plus access to other leaders focusing on the same topics. We provide critical information regarding effective school leadership practice including: personnel matters, recruitment, enrollment management, strategic planning, curriculum and resource support, assessment, volunteer management, constituent relations, and other critical areas that are essential to a mission-driven Catholic school.

"Mission Driven Catholic has been a valuable new mission partner to the Archdiocese. We highly recommend Mission Driven Catholic to any diocese looking to assist them with transformational work and have an extra hand that is faithful and professional."

~ Elias Moo, Director of Catholic Education
Archdiocese of Portland, Oregon
