More Features

Ultrasense AI Vision

UltraSense AI Vision keeps mowing like a pro, covering up to 300 meters without missing a beat even when satellite signals drop. As soon as the satellites come back online, it's all systems go for seamless, uninterrupted lawn perfection.

Unparalleled Obstacle Avoidance

Recognising 200+ Obstacles

Equipped with the 5 TOPs AI Chip, it ensures quick object recognition and precise avoidance strategies. YUKA mini has undergone tens of thousands of real-world tests to guarantee the highest level of safety protection for your garden.
