

Your Village needs
your help!

Community tidy up of
Fiskerton village green

8th February 10-2pm meet on the village green

Please come along with some gardening gloves and secateurs to help clear the leaves and brambles. Please drop by to lend a hand. Any time you can give to support us will be much appreciated. Anybody knowledgeable about trees would also be a huge help as we would like to prune/cut back some trees to help them thrive in the spring.
