

## GRANT COUNTY CURBSIDE RECYCLING!

*Grant County city residents...  
Your recycling bin will be arriving this month!*

### CITY RESIDENTIAL CURBSIDE COLLECTION INFORMATION:

- Each resident will receive a 65 gallon wheeled green bin with a gray lid for their recyclables.
- All acceptable recycling items may be placed together in the bin - **NO NEED FOR SORTING!**
- Please set the container out by 6:30 a.m. on your assigned collection day.
- The cart must be at least 3 feet away from any object.
- Please face the lid opening toward the street and the handle toward the house.

### EXCESS RECYCLING:

City residents, if you have recycling that will not fit in the bin, you can still drop off recyclables and cardboard at the recycling trailer and / or cardboard bins in your city.

### ACCEPTABLE ITEMS TO RECYCLE

|            |  |  |  |  |  |   |
|------------|--|--|--|--|--|---|

**THANK YOU  
FOR RECYCLING!**

**NO  
PLASTIC  
BAGS!**

### Non-Acceptable Items to Recycle

- |                    |                     |
|--------------------|---------------------|
| NO Garbage         | NO Plastic Toys     |
| NO Plastic Bags    | NO Electronics      |
| NO Food Waste      | NO Foam Egg Cartons |
| NO Styrofoam       | NO Light Bulbs      |
| NO Hazardous Waste | NO Yard Waste       |

### RURAL RESIDENTS:

Your recycling plan has not changed. You can still drop off recyclables at a transportable recycling trailer located at a city nearest you. **NO SORTING NECESSARY!**

**YOUR RECYCLING BIN IS THE ONE WITH THE GRAY LID. DO NOT PUT GARBAGE IN YOUR RECYCLING BIN.**

The Grant County Board of Commissioners has previously elected to implement a new Single Sort Recycling (SSR) program in the county. SSR is a process in which materials are commingled into one bin without the bothersome tasks of bundling and sorting. The program accepts additional recycling materials such as magazines, junk mail, phone books, cardboard, and plastic #1-7. (See the list of acceptable materials above). SSR increases the ease and convenience of recycling so more people participate and more resources are saved. Please help Grant County increase its recycling amount by using the new program. The more recycled, the less the county has to pay for garbage disposal costs.

If you have questions, or need more information please contact:

Grant County Coordinator Jim Standish at 218-685-8240 or e-mail: jim.standish@co.grant.mn.us
