

Wednesday, October 16th, 2024, marks the largest annual career/job fair in Northern Saskatchewan.

The Saskatchewan Health Authority, Saskatchewan Polytechnic, Saskatchewan Rivers Public School Division, Prince Albert Roman Catholic School Division, and Prince Albert & District Community Futures have partnered again this year, and we invite you to participate in our event.

We have moved to a bigger, brighter location to accommodate the over 65 displayers and the 3500 students and general public attending the career/job fair. This fair will be held at the:

Art Hauser Centre, 690 Gary Anderson Way, Prince Albert, Saskatchewan

Please remember this is an arena, and although we have taken necessary steps to help control the temperature, please dress accordingly.

The career/job fair provides a common forum for agencies, organizations, businesses, universities, colleges, and other interested parties to come together in one place and showcase what they have to offer. This event is designed to assist individuals of Prince Albert and surrounding communities to prepare for, obtain, and/or maintain employment. The benefit of this career/job fair cannot be overstated. Students attending are on the cusp of graduating and will benefit from the exposure to different post-secondary options to support the significant decisions ahead of them.

We invite your organization to join us as we **open the doors to tomorrow** for our participants! Participants delight in displays that are hands-on, fun and lively. Please keep in mind the noise level of your display for the comfort of those around you.
