SOUTHEAST SASKATCHEWAN

To all our faithful supporters out there. Thank you so much for your support of the Weyburn Youth Center. As we approach this Christmas season there is anxiety and fear that maybe it won't happen, maybe we will all be confined to our homes (government ordered), people being alone and isolated during the time we usually celebrate.

For this very reason the Christmas story is so relevant to us today. Joseph and Mary had to leave the comforts of their home in Nazareth of Galilee just at the time Mary was due to deliver her baby and go to Bethlehem Judaea (90- mile trip on a donkey) to Josephs ancestral home, for a government ordered tax census, were it seems they had no friends or family to stay with, rather had to stay in a cold lonely stable with animals. So, **we should consider ourselves lucky** compared to them as we at least have our comfortable homes to stay in.

Despite this **Mary and Joseph had a peace and calm in their hearts knowing God was in control of things** and everything would go according to His plan. Then the angels came to the shepherds isolated out in the fields with their sheep to bring the encouraging and comforting news of "Glory to God in the highest and on earth peace, and good will towards men" Luke 2:14

This Christmas we at the Youth Center would pray this peace and good will towards you this Christmas Season. May you have a peace and calm despite what is going on in our world today. If there is any way we can be of service to you please let us know and we will try to help. This brings me to ask for **your prayer support, volunteer support, and financial support** to keep the doors of the Weyburn Youth Center open to provide a safe, drug and bully free place for youth to come to. You can volunteer by calling Annmarie at 306-891-5318 or to donate you can write a cheque and send it to Weyburn Youth Center box 771 Weyburn SK, S4H2K8, or go to our website Weyburn Youth Center and donate online, or new to the Youth Center you can e transfer to weyburnyouthcenter@sasktel.net . This is the Board of the Weyburn Youth Center saying may the Peace and Joy of that first Christmas night be your portion this Christmas.
