## **Reiki Services**

Reiki is an ancient healing technique that provides profound results through gentle touch of the hands. It is a non-invasive approach to transferring energy that is extremely effective in promoting overall wellness. Through Reiki, the person can restore balance across all systems of their body and spirit. The harmony that is created during a sessions allows people to continue in a confident way.

## **Social Work Services**

Services include counseling, and non-medical psychotherapy with individuals, families, and groups; helping people to obtain tangible services, assisting communities or groups to provide or improve social and health services and engaging in social work education, research, planning, and the appropriate administration of social work or social welfare services. Services are provided to help individuals, groups, and communities to enhance and restore their capacity for social functioning and helping to create societal conditions favorable to this goal. Pursuant to KRS335:020, ASWB.

Dr Campbell is integrating her over 40-years of professional, social work, and education expertise to assist people in their individual wholistic empowerment and healing journey.

She is a member of Phi Delta Kappa International Honor Society and Phi Alpha International Honor Society. She is a volunteer Executive Director of Phoenix Global Humanitarian Foundation. For 22 years she served as President/CEO of a human services organization.

Her work interest and passion extend beyond our borders to Africa. In 2005, she was appointed Sub-Chief by the Tolon Traditional Council in the village of Tolon, Ghana. There she created, directed, and facilitated life changing programs for women and families, including a educational scholarship program for children in kindergarten through the 8th grade. Dr. Campbell also spearheaded and implemented a program that brought attention to Intimate Partner violence and sexual assaults of women in the USA, Africa and Okinawa, Japan.

In July of 2018, Dr. Campbell received a certificate in Women's Leadership from Cornell University. She is the recipient of the "Center for Women and Families - 2013 Women of Distinction Award, recognized as a Muhammad Ali Daughter of Greatness, and has been featured regularly in "Who's Who in African American Profiles". She was also featured in the book "100 Fascinating Louisville Women" as well as "Louisville Woman" magazine.

In February of 2021, Dr. Campbell established the Mrs. Ada Doss Campbell Memorial Scholarship for students pursuing a degree in social work. The scholarship fund is established at the Community Foundation of Louisville and Kentucky State University.
