

SUNRISE

March 15, 2026

Dear Community Partners,

We pray this message finds you in excellent health and thriving in purpose. As we prepare for another transformative Health Week, we are excited to share this year's theme: Mission: Abundant Health — Destination: Heaven. This theme reflects our commitment to whole-person wellness, grounded in the eight principles of health and the spiritual hope that guides our journey.

We remain deeply grateful for your unwavering support throughout the years. At our last Health Fair, over 600 community members participated—an inspiring testament to the strength of our partnership and shared mission. We warmly invite both returning and new partners to join us in this vital work, emphasizing your essential role in community wellness.

By popular demand, we will once again offer the Three-Day Juice Cleanse during Health Week. This cleanse provides a reset from processed and fried foods, supports gut balance, enhances hydration, and replenishes the body with essential micronutrients. If you or anyone you know would like more information or to participate in the 2026 cleanse, please text us at 833-301-8635 with your name and the phrase "juice cleanse".

The Health Fair will take place on **March 15, 2026, from 11:00 a.m. to 4:00 p.m.** and will launch an inspiring week of workshops, wellness experiences, and nightly meetings beginning March 16 from 7:00 p.m.–8:30 p.m., continuing on Sabbath at 11:00 a.m. and 4:00 p.m.

If you would like to participate as a vendor or partner, we encourage you to register early. This event is a wonderful opportunity to share your products and services with the community. We will also publish our 2026 Health Magazine, which all Health Fair attendees will receive. Your establishment is invited to place an advertisement or submit an item for inclusion. The deadline for magazine submissions and advertisements is February 14, 2026. Suggested donations help cover publishing and event costs. Full registration and advertisement information is attached. All vendor and participant registration is now digital for your convenience. Complete instructions and access links for registration and magazine submissions are included with this letter.

As we prepare for this special week of wellness and spiritual renewal, we stand on the beautiful promise found in 3 John 1:2: "Beloved, I wish above all things that thou mayest prosper and be in health, even as thy soul prospereth." May this assurance guide our mission as we journey toward abundant health—physically, mentally, and spiritually.

Thank you in advance for your continued partnership. May God bless you abundantly in health, prosperity, and purpose. We are here to support you in every step of this mission.
