Nature Friendly

Jute is a natural fiber which is 100% bio-degradable and thus environment friendly

Popularly known as BURLAP, it is one of the cheapest natural fibers. **Jute** has a silky luster with high tensile strength and low extensibility. It is one of the most versatile natural fibers having applications in packaging, textiles and non-textile sectors. Being annually renewable and biodegradable, it plays a very important role in environment protection. **Jute** Bags provide a natural and ecological alternative to all other synthetic bags.

Due to its unique versatility, durability and being organic in nature, **jute** is regarded as the Fiber for the Future.

GENERAL INFORMATION

- **Purchase Orders:** Orders received without pricing will be charged at current catalogue prices.
- **Repeat Orders:** Within one year using the same previously developed design, no screen or redevelopment charges will apply. Orders placed after one year will require new screen development charges. However, any new screen development will be charged additionally as per design requirements.
- **Changes to Orders:** All changes to order must be confirmed in writing prior to production. Verbal order changes are not accepted.
- **PMS Color Match:** We will make every effort to match PMS colors when specified. Internationally accepted that Pantone colors are near matching on jute and might differ +/- 5 %.
- **Rush Orders:** 1-3 business days - \$125(V) 4-5 business days - \$93.75(V)
- **Packing:** Items are packed in bulk. Individually poly-bagged will add \$0.31(v) per piece.
- **Drop shipment:** First location is free. \$10(V) for every additional location
- **Quantity Clause:** The supplier will ensure that the shipped quantity is not less than the quantity ordered by the buyer. If an excess production of up to 2-3% occurs, the buyer agrees to accept and pay for the additional quantity billed accordingly.
- **Shipping Method:** All shipments are made on an F.O.B. (Free On Board) basis from the designated Indian port as per Incoterms® 2020. Once goods are delivered to the carrier and loaded on board, all freight, insurance, and associated shipping risks are the responsibility of the buyer, unless otherwise agreed in writing.
- **Handling charges:** A handling fee of \$17.5(V) will be charged on every order shipped on 3rd party accounts.
- **Acceptance:** The customer should inspect the goods immediately upon arrival. Claim will only be accepted within 15 days of their arrival. If customer fails to give such written notice, the goods shall be deemed to accept and bound to pay for goods in accordance with terms in the contract. The customer expressly waives any rights the customer may have to revoke acceptance after such 15 days period.
- **Cancellation:** All orders are considered firm. Cancellations will be accepted only if the merchandise has not been decorated. All cancellations must be received in writing. Verbal cancellations will not be accepted. Orders cancelled during production will be charged at the cost of material and labor extended to date including shipping costs. A 15% restocking fee will be applied to all cancellations.
