

THE LIFE AFTER PRISON 2024 IMPACT REPORT

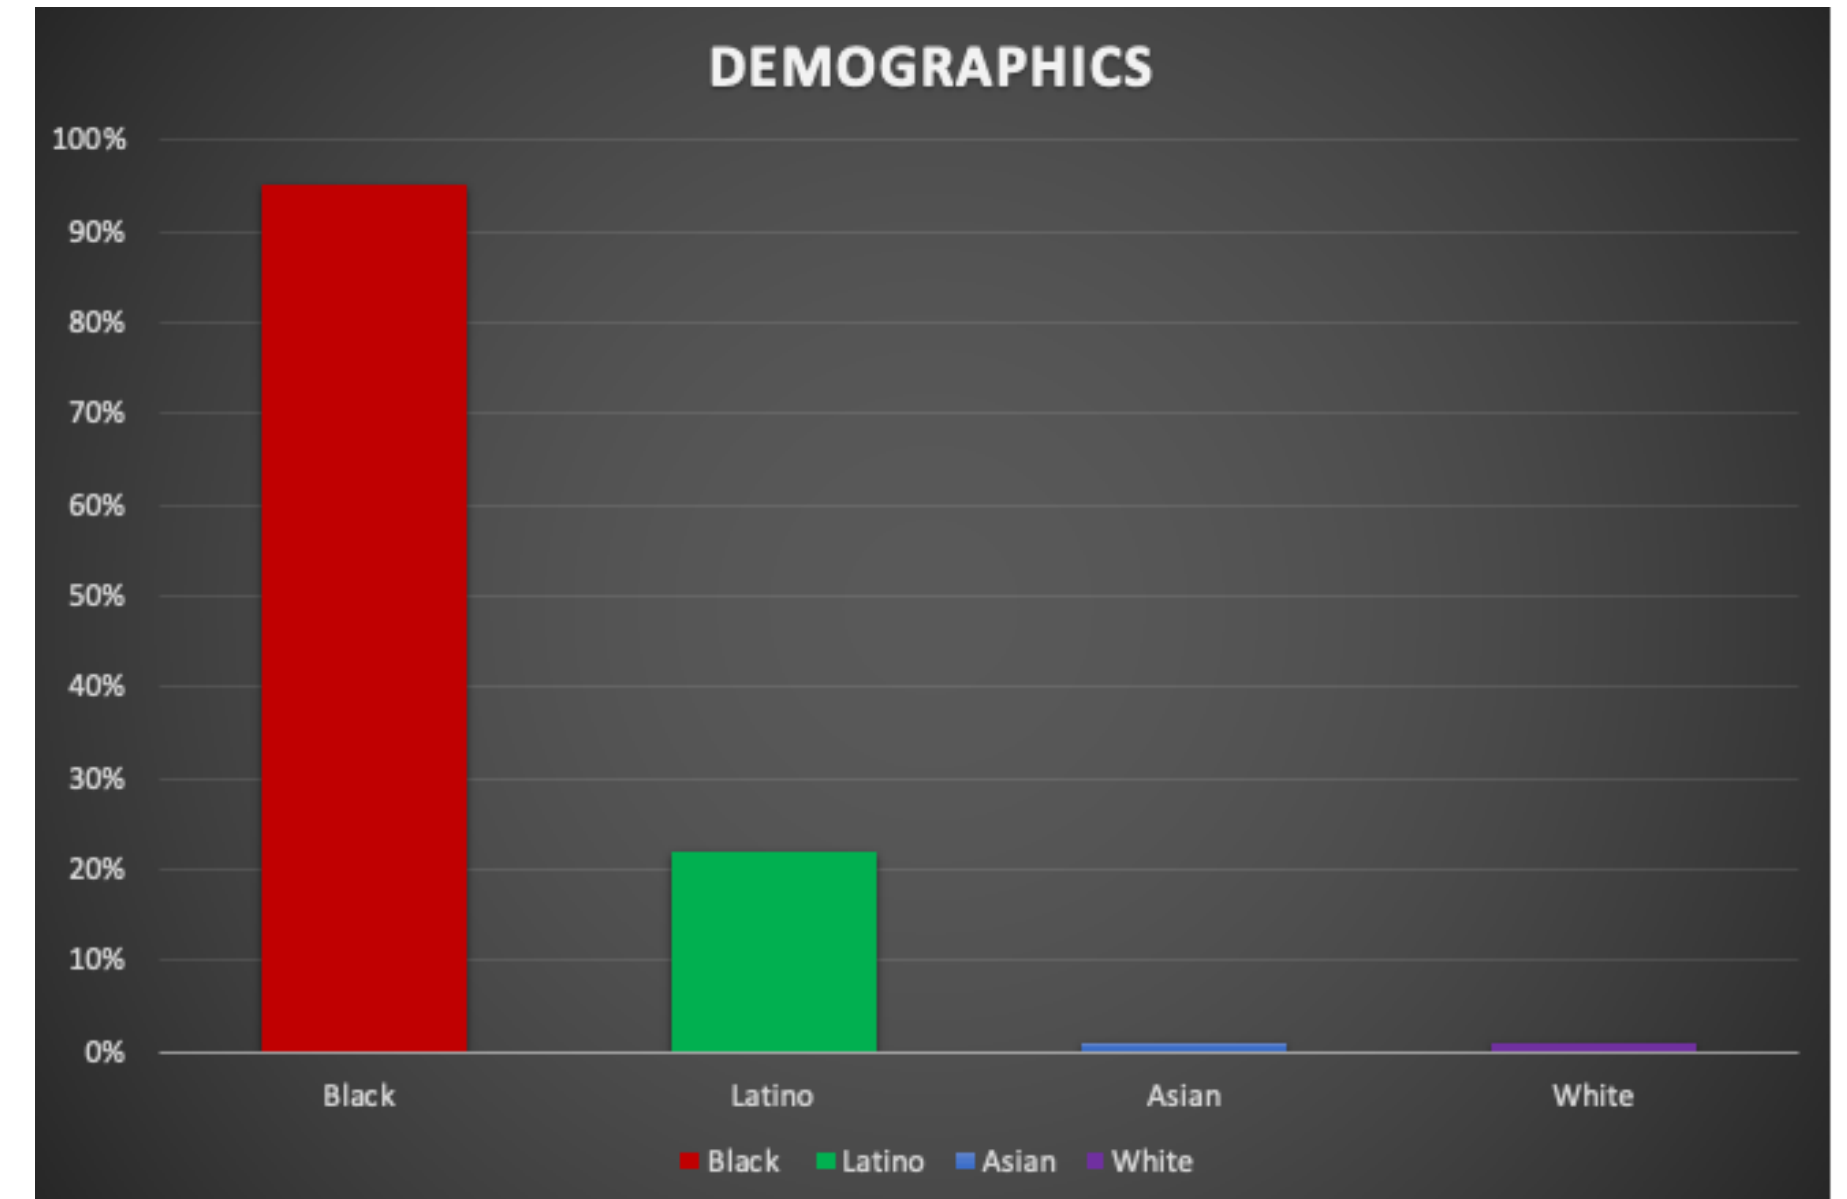

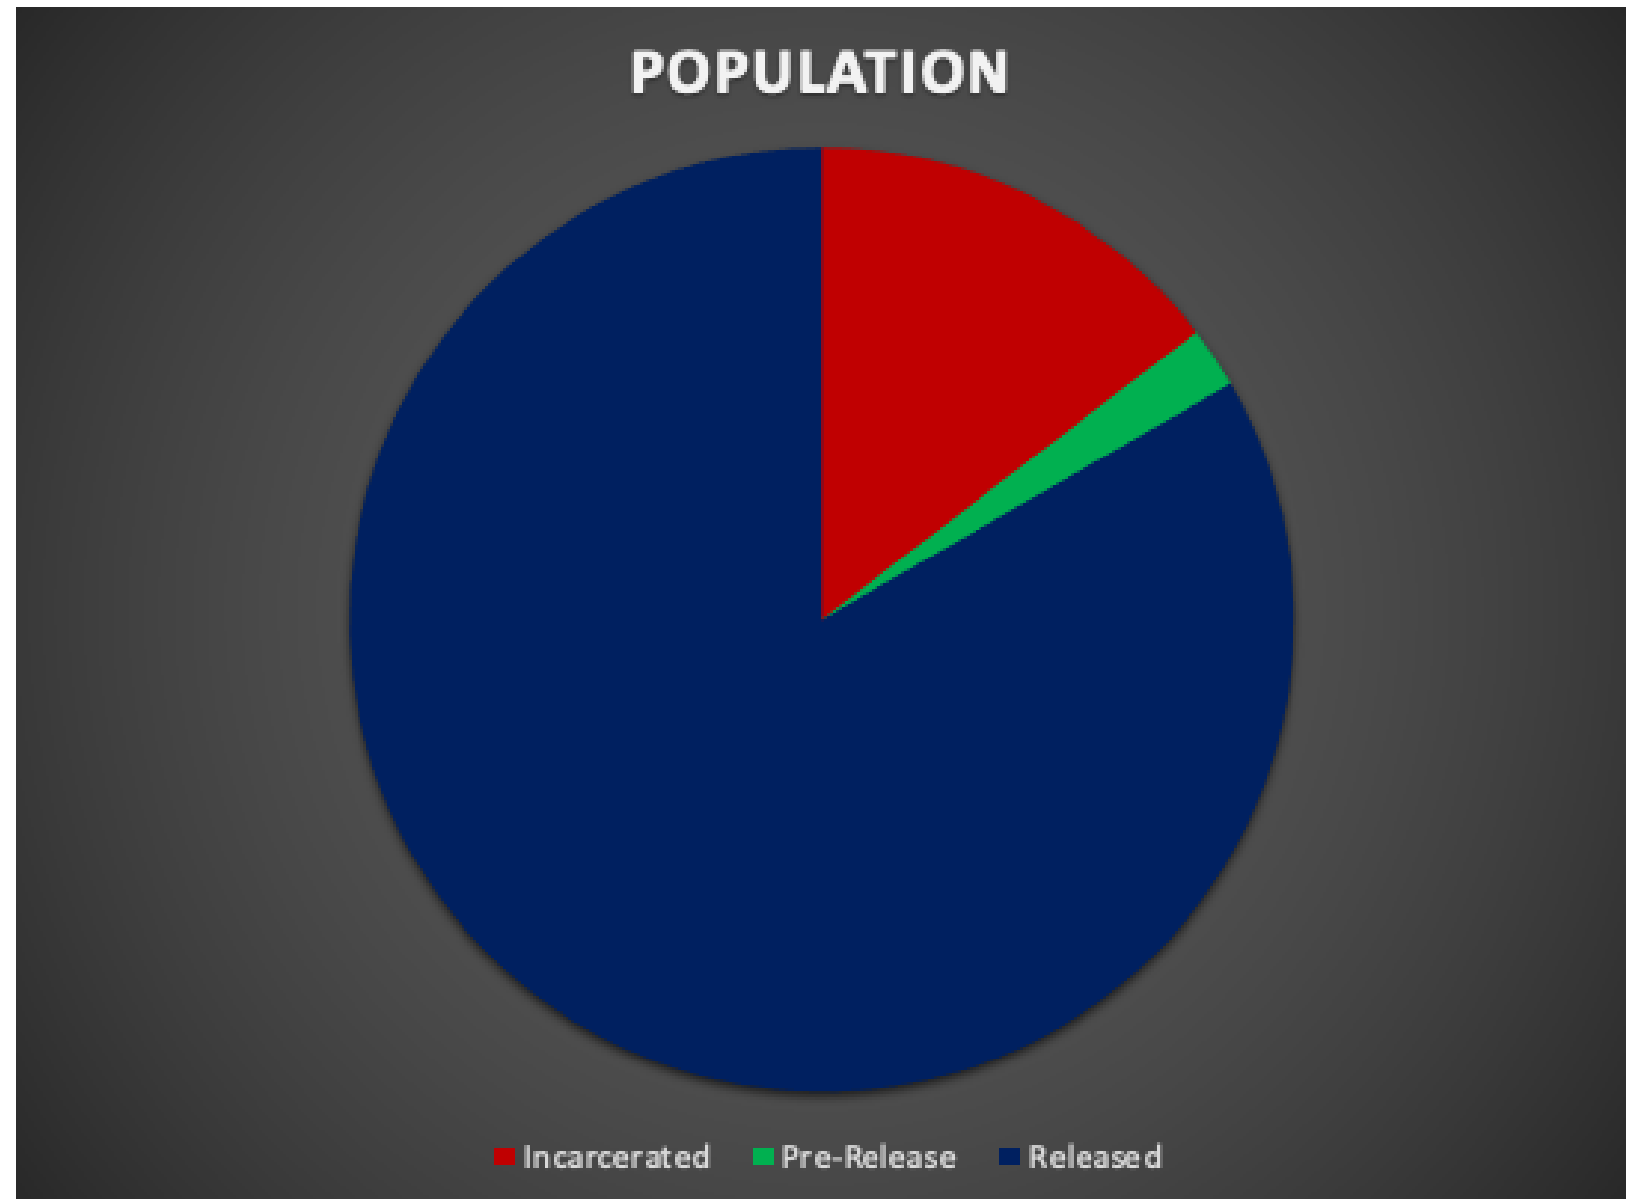

We champion the fundamental truth that there is not only life after prison, but the potential for growth, leadership, and positive change that enriches our entire community.

OUR MISSION

Our mission is to transform
lives and strengthen
communities by empowering
individuals impacted by
incarceration.

A man with a beard and mustache, wearing a dark grey hoodie, stands in the center of the frame. He is looking directly at the camera with a neutral expression. The background is a city street with brick buildings on either side. A silver SUV is parked on the right side of the street, and a dark car is visible on the left. The overall tone is somber and realistic.
