Easter Egg Hunt by Natalia Juan Abello for Riley Blake Designs

PRESIDENT'S MESSAGE

It was nice to be back at an in-person meeting earlier this week, and I so appreciated all the “welcome back” sentiments. I really enjoyed the gadgets and gizmos that Deb shared, and before the week was out, I had to visit Half Moon Handwerks and pick up a few new ones. I think my wool mat and sewing machine will be much improved as a result, and it’s always satisfying to support our local quilt shops. I’m a big fan of shop small, shop local.

I have heard some concerns about having two lectures about quilting gadgets, and I want to address them here. Sandy and I consider them as complementary rather than repetitive since each lecturer gave very different options for gadget shopping. And, the back story is that after we signed the contract with Deb, Carol said through the talent search survey that she was willing to give a lecture, and we simply did not want to say no to a guild member. I hope you enjoyed two different perspectives on quilting tools.

Looking ahead, our first lecture in April is Aurifilosophy with Karen Miller, Red Bird Quilt Co., who will teach us everything we need to know about Aurifil thread. The next day, she will teach our last workshop of the year, Aurifilosophy Sampler, where we will use various thread types and weights to make a sampler that we can use for future reference. I really need this workshop because until about two years ago, my only

thought about thread was 50-weight cotton. It's time to expand my thread horizons! Don't wait until the last minute to sign up; you will need to choose your thread set in time for Karen to pack it and bring it along.

On April 21, we will have Dr. Chris Sierotowicz from Madden & Gilbert Physical Therapy with Physical Therapy for Quilters. We are hoping to learn how to stay limber while quilting and everything else we do and keep away the aches that creep in when sitting at a sewing machine for hours at a time.

We are still looking for a president-elect for the next guild year. If you have interest or questions, see me or Sandy.

Last, in a conversation with Pastor Tim recently, he asked me to send his greetings to the entire guild and let you know that they enjoy hosting us and think we are a great group.

Happy sewing.
Lin

BUTTONED UP

The Nominations Committee has been formed, met several times, and redefined the committee's responsibilities. The committee members are Susie Horner, Lynndee Nelson, Sandy Kohler, and Lin Keller. We would gladly welcome more members! The members will serve two-year terms with the option to stay for another term. We have agreed to expand our responsibilities beyond filling the officer and board positions as we continue to trim down the president's responsibilities. The committee will fill most open positions within the guild; the only positions we will not fill are the subcommittee chairs and volunteers under the bingo committee.

MINUTES

Membership Meeting Minutes March 2, 2025

The meeting was called to order by Co-President Sandy Kohler at 2pm.

Our guest today was Gail Ogden who moved to Carlisle from Washington State.

Sandy introduced our speaker, Marty Jones, a long time Letort Guild member. About 10 years ago, Marty was involved in the Letort Quilters Documentation Project. Using the information and photos collected, she compiled a book, *Quilts of Cumberland County 1700-1970*, explaining the process followed, community history, and the journey for this group of dedicated quilters. The book, by design, is packed with hundreds of beautiful quilt pictures. The photographer, Vince Cassaro, Joanne's husband, is a seasoned commercial photographer with an impressive resume. We were so fortunate to have someone with his background on the team. The photographs are so crisp you can see the hand quilting and thread like looking through a magnifying glass. Over 900 quilts were

processed at different locations across the county and any available information was captured and recorded. All quilts were numbered and labeled and can be referenced in a database at the Cumberland County Historical Society, should you happen upon one of these treasures and want to know more. Marty was extremely appreciative of all the partner groups and individuals who made this endeavor possible. The book is very interesting and available for purchase at a guild meeting for \$30.

Our holders and folders assisted several members who shared their quilts and family collections that were included in the documentation process.

The next meeting will be held at the church on Monday, March 17. Deb Bender from Half Moon Handwerks will present Gizmos, Gadgets and Tips. She will also bring items to purchase if something catches your attention.

Membership Meeting Minutes March 17, 2025

The meeting was called to order by Co-President Sandy Kohler at 7pm.

Sandy introduced our guest speaker, Deb Bender, owner of Half Moon Handwerks. She shared an informative presentation on Gizmos, Gadgets and Tips. Deb brought a gift packet for the members including a product list

upcoming classes at her quilt shop, an acrylic binding holder, and lastly, a piece of Dove candy, yum! So thoughtful! The product list included cost, category and her notes on using or value add. She had the latest and greatest items and provided her insight with a dash of humor. Deb clarified slow stitching isn't a thing; it's being mindful and enjoying whatever you are stitching. Great presentation!

QUILT BINGO 2026

Quilt BINGO 2026

We are picking up momentum for a great event in a year. Yes, Quilt BINGO is a year away!

Quilt Update—just a reminder that we need quilts of all sizes for the BINGO event on 18 April 2026. Smaller quilts, wall hangings, table runners, and more will be used for door prizes and raffle baskets. Bigger quilts (60" X 60") will be used for BINGO games prizes. Laura Dries is the quilt collector. Contact her to donate your finished quilt for the event. Thank you to Becki Davis and Marianne Manning who pieced and donated quilts for the game prizes. Both were wonderfully quilted by Debbie Weigle. Thank you also to Dessie Kough who donated a pieced top for a game prize. Thank you to Adele Rall for donating 11 quilts. Your generosity and artistry is appreciated.

Committee Update—Debbie Weigle is the Door Prize Coordinator; Jane Black and Jean Ilgenfritz will assist. We are asking the guild members for small hand made items for door prizes such as table runners, bags, zippered pouches, placemats, quilted cards, etc. Debbie will coordinate two service days next guild year to make door prizes. Stay tuned for the dates. Lynndee Nelson, Marcia Brumbaugh, and Pat Loomis have stood up for the Raffle Basket Committee. If you are interested in joining them or have ideas for raffle baskets, let us know! Our "bank" will be the foursome of Linda Bishop, Becki Davis, Sue Aigeldinger, and Susan Beinhaur. Plenty of fingers and toes to count on. Sarah Burkett and Melinda Hillard are on tap for a repeat excellent performance in the poster department—designing and getting the word out to our community. Of course, we will need 25 volunteers for 18 April 2026. Save the date now to either volunteer or play BINGO. It's a great day to support the LeTort Quilt guild, have fun, and build friendships. Thanks for your interest and participation, Julie and Debbie

Comfort Quilts

As we all know, there is never an end to the need for comfort quilts. While we continue to provide quilts to many agencies in the community with which we have had long-standing relationships, we frequently come across new avenues to direct our efforts. Along those lines, there is often a request for quilts larger than our typical 40" x 60" size.

If you were at the previous meeting, you may remember Carlene showed two quilts made from 6" (finished) squares. These are simple to make and are a great use of leftover fabric. So, if you are finding that you are the proud owner of small pieces of fabric that you can cut into 6 1/2" squares, we are glad to accept them. Or, you can go ahead and sew them together in scrappy fashion for a twin size top, about 70" x 90".

Thanks again for all you do!

Sew long for now,

Carlene and Sue

HEART-TO-HEART UPDATE

Our heart-making efforts continue to shine! Thanks to your dedication over February and March, we've reached an incredible 575 hearts—so close to our 600-heart goal! Even better, if we exceed our target, UPMC Magee Women's Hospital will share hearts with a facility in Harrisburg, extending our impact even further.

There are plenty of hearts cut out and ready for sewing on Service Day in April, so come lend a hand. Whether you stitch one or many, each heart brings comfort to NICU babies and their families. Thank you for your generosity and hard work!

Thank you!
Sarah

AURIFIL WORKSHOP

You asked for it; you got it! Due to requests from several members, we have scheduled the Aurifilosophy Thread Play class with Karen Miller of Red Bird Quilt Company. In the class, we will work with seven different Aurifil threads, learn what needle goes with which thread, and learn the correct bobbin and tension settings. We will sew on the machine and by hand. At the end of the class, we will each have a sampler with our stitching and notes written directly on the sampler. This is a great way to keep track of what we did in class. The best part...you get to pick from one of three color sets of thread! Warm, cool, or neutral; it's your choice.

The class is \$42.00 plus \$48.00 for the thread kit that also includes needles. The class is on Monday, April 7, 9:00 a.m. to 12:00 p.m., at the Monroe Township building.
