AMERICAN FREEDOM!

We are local grassroots groups coming together as one voice...
the voice of REVIVAL... Spiritual, Political, Legal, Medical,
Educational, Economical...

We endeavor to find solutions, alternatives and opportunities for
members of our community to

GET UP, STAND UP AND GET ENGAGED!

We are devoted to securing a bright and Godly future for our
children. We seek what’s true and good, and to expose corruption
and lies so justice may be served.

Spend the day with us! Be inspired by our guest speakers,
strengthened by our unified spirit and infused with courage to
meet the challenges ahead.
