

HOW TO SUPPORT

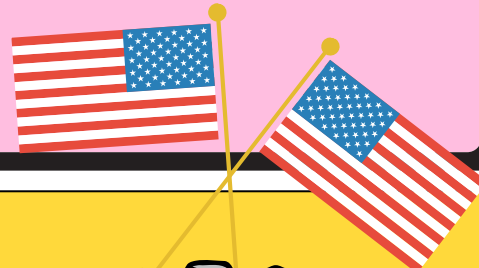

CALIFORNIA FREEDOM TRUCKERS CONVOY

Stand with Us!

Gather your friends, your family, your neighbors to help support our truckers! Get ready to rally by making signs, hosting a donation drive, becoming a runner, manage digital media and more!

GOODS COLLECTION

Getting involved means committing yourself to the cause. Seeking out potential threats and stand up for what is right. The absolute most important role is being the one responsible for obtaining items and reliable resources. We are counting on true patriotism!

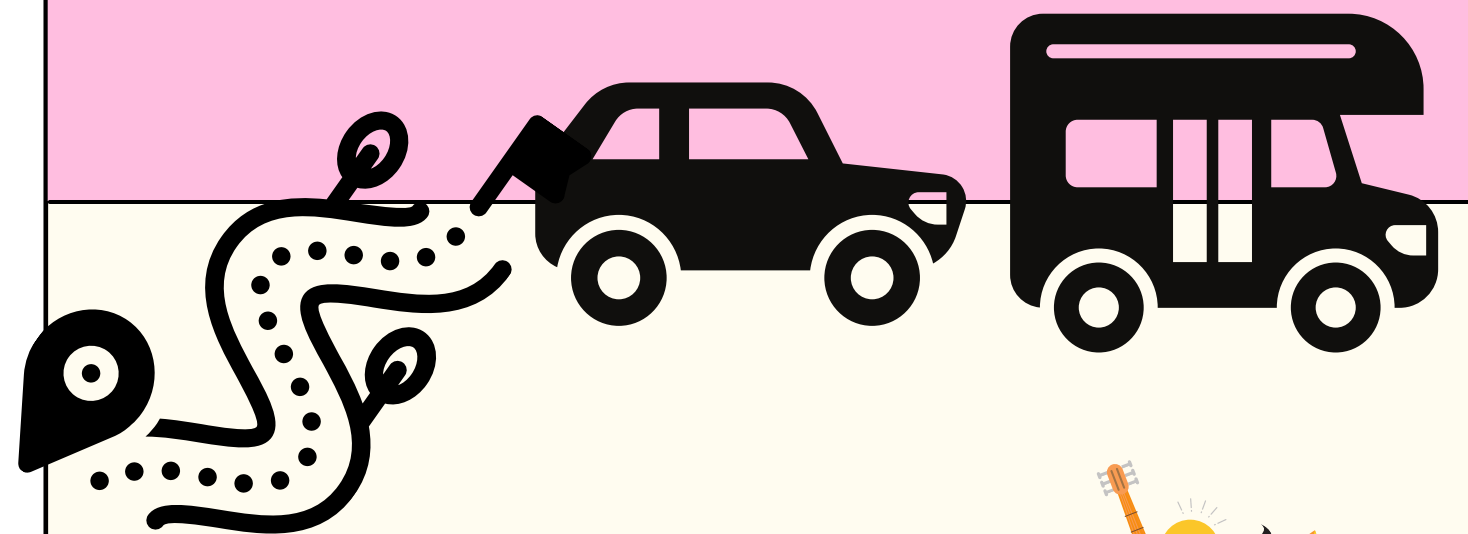

Getting Prepared

Our truckers could be gone up to 4 months. Fighting for freedom does not occur overnight. We encourage you to stock up on items like, medication, water, fuel, batteries and other household supplies. Design a plan for your family!

Join the Convoy

All vehicles are welcome to join in this history making event! Motorcycles, cars and anything else that is safe are welcome to drive with our truckers. Show your love and support for California! Dress up your ride and show the world how we do it here!

GET CREATIVE

Express your utmost support! Creativity couldn't be more needed than now. Timing is essential and we are seizing this opportunity to make history and meaningful impact for real change in California!
