## **NEW: From the M & P Committee**

**Our Next monthly meeting is Tuesday, June 9th, 7:00 pm via Zoom**

The Ministry and Personnel (M&P) Committee acts under the guidelines of The Manual of The United Church of Canada. The committee functions around three roles, which are the consultative and supportive role, the healthy relationships role, and the supervisory role. We provide resources & support for the staff & community of faith regarding any issue affecting staff of our church, including ministry personnel and lay employees.

The committee works to build positive, trusting relationships among staff, members, and adherents of the community of faith.

If members of the community of faith have praise or concerns about staff, both ministry personnel and lay employees, these can be shared in signed correspondence with the committee. The issues will be considered confidentially by the M&P Committee, who will recommend action.

Knox United Church is blessed with staff who are committed to their work, and we are thankful for this work in our community of faith.
