NEW: From the M & P Committee

Our Next monthly meeting is Tuesday, May 13th, 7:00 pm via Zoom

The Ministry and Personnel (M&P) Committee acts under the guidelines of The Manual of The United Church of Canada. The committee functions around three roles, which are the consultative and supportive role, the healthy relationship's role, and the supervisory role. We provide resources & support for the staff & community of faith with respect to any issue affecting staff of our church, including ministry personnel and lay employees.

The committee works to build positive and trusting relationships between staff and members and adherents of the community of faith.

If members of the community of faith have praise or concerns about staff, both ministry personnel and lay employees, these can be shared in signed correspondence with the committee. The issues will be considered confidentially by the M&P Committee, who will recommend action.

Knox United Church is blessed with staff who are committed to their work, and we are thankful for this work in our community of faith.
