Reminder from the Worship Committee

For the past few years, the Worship Committee has decorated the Chancel with autumn colours and vegetables. We will be doing this again this year with some modifications to allow for the camera display. What we need is a few vegetables to add to our display. If you have extra tomatoes, potatoes, squash, carrots, and anything that you can spare, please bring them to the church and leave them in the Narthex or bring them on Sunday for us to put out. The vegetables will go to Samaritan House after Thanksgiving for their food store.

Thank you,
Diane Shepherd

NEW: News from the Canadian Foodgrains Bank - Hunger is Preventable Campaign

On 16 October, people of faith across Canada observe World Food Day. The CFB encourages members to participate in their new Hunger is Preventable postcard campaign, and let your MP know that you support Canadian Aid. At a time when our neighbours to the south are dramatically cutting funds and personnel related to foreign aid, we have an opportunity to tread a different path.
