New Series Begins January 18 – The Changemakers “Go and do likewise.” - Jesus

A Changemaker is a risk-taker, someone who puts their faith into action to make a positive difference in the lives of others. Sharing in the purposes of Jesus, empowered by the Spirit, we are the “assets” we’ve been looking for. Our wealth lies in the Compassion, Collaboration, Creativity, and Empowerment that sustains us through change, for change, for the sake of a better world. Join us as we hatch new ideas and fly to new heights, risking something big for something good.

Indigenous communities in Northern Manitoba played a vital and complex role in the development of the fur trade and of the British empire. While the negative impacts of this colonial story are often emphasized, this presentation will explore the contributions of the Island Lake people to the global story of the Hudson's Bay Company.
