concerned about people driving 4-wheelers on black top. He hopes that they will not stop this.

Andy stated that Eric Amundson's ditch is plugged. We will have to look at it.

Andy said he talked with a gentleman and he said that the Township Board was doing things illegal. What are we doing wrong? They brought up Ben Zacher, that road. Andy said as long as he does the job equal or better than it was legal. He talked with Dave Robley and the Minnesota of Townships Lawyer and they agreed. We will need to have a Public Hearing to vacate the road. Jerome stated that we can close a road but we need a petition to vacate.

Jerome gave an update on the sewer. Jerome stated that they purchased 35 acres from Kent Stakert by Long Prairie River. We wanted to go closer to Carlos. The City of Carlos signed a letter of content and they were going to meet with City of Miltona on Feb 10th and they are hoping they will sign as well. The cost should be close after we get the design done. We will know what the cost will be. The more people we bring in the cheaper the sewer system will be. The levy will go down. With 15 to 20 yrs and with the # of people the levy could be done in 6 to 7 years.

Terry Standley called the Sheriff because the dogs were barking at the Mark Luedeke's residents. The Sheriff went to Mark and sat there for 1/2 hour and didn't hear the dogs bark at all so he left.

As there was no further business Jerome made motion to adjourn the meeting at 8:55 PM and Andy seconded. Motion carried.
