A motion by Steve and seconded by Matt to accept the bills as listed, motion carried 3-0.

Old Business- Tom has been working on the Krohnfeldt project and has been researching how to fund the project. Looking for confirmation on a petition wording to get that back to Fred so he can send it out. Bryan was there and explained the ALASD agreement. Certificate of Compliance IC-134 forms were signed and will be returned to Widseth as the E Lake Miltona Drive paving project is complete. Widseth is working on the other paving projects as location flags have been seen in the project areas.

New Business- A motion by Steve and seconded by Jerome to accept Resolution 2020-7 Designating Polling Place for 2021, motion carried 3-0. Building variance hearing tomorrow night for Bob Kigin on S Lake Miltona Drive. Janet Zastrow spoke to the board about this on behalf of residents on the lake against such variance. This variance would allow someone to build behind someone else’s property on an already tight situation for parking. Janet would also like to look ahead and ask the board 1. What responsibility does the township have today for decisions made in the past? 2. What mitigation plan, guidelines, ordinance would fit the scheme of the neighborhood. 3. Easements, what do we do about parking or creating an area to park. Tom will draft an email to Dave Rush stating we heard from residents, and that the township doesn’t see it impeding traffic of the road or an issue with maintaining the road. BlackRidge bank has changed names and is now know as First Western Bank & Trust. Jerome acknowledged the work and service of Matt Kugler as Supervisor for the Township.

Floor- Jim asked about the expenditures and cost township in incurring on the Krohnfeldt project. There would be no township funds allocated towards the project. And second question from Jim is how to deal with the Abel property and what Township is doing about it. This is a county issue, township has no authority on private lands or ordinances for such issues.
