Hi Stephanie,
I'm very familiar with the location of this park. I don't have any wildlife concerns with the project.
Thanks for allowing me to review.
Take care,

Tonya-

Attached you will find a letter requesting your comments on the Ainsworth Park Preliminary Engineering Report (located in Thompson Falls). A hard copy will be mailed out today, but an electronic response would be preferred if it can expedite the process. If this letter has reached you by mistake please let me know; I thought this would go to you based on our correspondence regarding the Lincoln County Port Authority Project earlier this year.

Thank you for your input in advance!
