Thanks. We have not comments on the new park for Thompson Falls; other than it looks like the contractor will need a stormwater construction permit from the State.

**Subject:** Ainsworth Community Park Project - Request for Comments

Hi Dana,

Please see the attached letter requesting comments for the proposed Ainsworth Community Park project in Thompson Falls, MT. This project was recently funded through CDBG and we are currently working through the environmental review and design process. Please let me know if you have any questions or would like additional information.

Thanks,
