Our Services

Pre-Construction

This Phase includes constant monitoring and interaction. We keep an eye on budgets to ensure the lowest costs, stay on top of schedule for timely delivery and work closely with the design team to create your vision.

Construction

Working with trusted team members and subcontractors, we keep them accountable throughout the entire build. From sequence to production and quality control, we stay focused on the goal.

Post-Construction

The last step in any build. This phase includes site cleanup, systems training, final inspections and move-in coordination. After completion, we have a final walkthrough to ensure your complete satisfaction.

Siding

Our siding contractors in Nanaimo are specialized in exterior siding for residential homeowners, condo buildings & commercial businesses. We offer a wide variety of siding products from local suppliers. Our professional installers can improve the aesthetics of your home and give you a maintenance free exterior.

Metal Roof

Our Team is professionally trained for metal roofing. Metal roof gives a luxury look to your home, giving you a peace of mind and an increase in the value of your home.

We also provide an extended warranty on Metal roof.

New Construction

We have immense experience in siding new homes. Many of our residential projects are new construction which include vinyl siding, Hardie siding, pinewood, cedar, long board, soffits, window trims, metal roofing, and vinyl sundecks.

Renovations

We have extensive experience in remodelling and restoring existing or old school material. If you want to make it modern, our designers are master of when creating and incorporating new additions.

Commercial

We also deals in the commercial sector. Luxury condominium communities are huge opportunities for beautiful spaces. We focus on the importance of creating a positive, environmentally responsible and functional investment.

Limited Investment

Built for eye-catching beauty and efficiency, we know how to make the most out of limited investment. If you don't want to spend a lot on your project, don't worry we'll build up to incorporate all your needs. Get in touch today and let's make your dream come true.
