3 Position Vinyl Swing Attachment \$850

4x4 end post with 5x5 top beam. Length is 12' and height is 7' for the Regular tower and 8' for the Ultra tower. Includes 2 swings and 1 trapeze bar.

Option: 1 swing can be replaced with a plastic horse glider. Additional cost: \$150

Step 3 Chose your accessories

5' Rock wall (for Regular Tower)	\$700.00
6' Rock Wall (for Ultra Tower).....	\$750.00
Turbo Slide	\$1,200.00
Gang Plank (replaces ladder, if ladder is required add \$75)	\$950.00
10' Monkey Bars (no swings).....	\$675.00
Dinner Bell	\$30.00
Infant Seat	\$40.00
Commercial Bucket Infant Seat	\$60.00

Free setup and delivery within 100 miles. If Playset is to be installed in a fenced area, a gate clearance of 1 foot wider than your Watch Tower is required. For example, if your Watch Tower is 5ft. wide, you will need a 6ft. gate. If your gate is not wide enough, we can build your Watch Tower on site for an additional 10% of your Watch Tower cost.
