

Premium Care Maintenance Package

Warranty Disclaimer Clause

Mysunwork LLC's Premium Care services are designed to maintain and protect your solar system through professional cleaning, inspection, and related preventative care. These services do not alter, modify, or replace any manufacturer or installer components. Mysunwork LLC is licensed and insured, and all work is performed with industry-standard practices to avoid damage.

Manufacturer and installer warranties remain in full effect unless otherwise stated in your original contract. Customers are responsible for reviewing the terms of their existing solar warranty agreements. Mysunwork LLC assumes no liability for warranty limitations imposed by third parties. In the event of accidental damage caused during maintenance, Mysunwork LLC's insurance coverage and workmanship warranty will apply.
