

Dual Sanction League Application

ACS Dual-Sanctioning Policy [Revised 6/16/04]:

"A league sanctioned with another national league association may sanction with the ACS (dual sanctioning) as long as its intention is not to undermine the ACS national league-sanctioning body. Leagues sanctioned with ACS may be sanctioned with any other national pool league organization on the same night of the week if it is determined by the ACS staff that the dual sanctioning is offered solely for the purpose of offering its players extra benefits and not for the purpose of undermining an existing ACS-sanctioned league within its area of administration. Generally, such dual-sanctioning will be approved if rival leagues within a region are able to offer the same dual-sanctioning benefits to their players. Leagues may request a written "dual-sanction" application; and the application will be reviewed on a case-by-case basis by the ACS staff. A league must have a signed approval agreement allowing "dual-sanctioning" before it sends in its initial sanctioning work and fees."

The applicant for "dual- sanctioning" must inform ACS national headquarters of its intent to dual-sanction. League operators must submit a written "Dual -Sanction" application (or best to call the ACS national headquarters to process an application over the telephone) in advance of remitting initial sanctioning work and fees. Upon receipt, each application will be reviewed on a case-by-case basis. If granted, you will receive an approval agreement signed by ACS staff authorizing "dual-sanctioning" of your respective division, at which time you may submit your sanctioning work and fees. League operators previously offering a "dual-sanctioned" division may continue to do so if they were "grand-fathered" as a dual-sanctioned league .
