

# A WHOLE NEW WORLD OF APPLE VACATIONS

## THE BEACH... AND BEYOND

Apple Vacations has broadened its reach far beyond the world's most popular beach destinations. Now you can book Apple Vacations to the most in-demand destinations on six continents including popular cities and ski/mountain resorts in the U.S. and Canada, and the culturally sophisticated and exotic hotspots in Europe, Africa, Australia and Asia. In total, more than 1,000 new destinations!

While tacos and tequila will always be part of our being at Apple Vacations, we're hungry for more, and our appetite for travel is increasing a thousand-fold!

Here's just a small sampling of a whole new world of Apple Vacations, on sale now!

### UNITED STATES

Apple Vacations has added more domestic destinations on top of Florida, Arizona, California and Vegas, so whether you want to hit the sights, slopes, or sand, we've got you covered.
