Hello Mayfair Families,

February was a fun month for our Mayfair friends! They enjoyed learning about Groundhog Day and how to use flashlights to make shadows. We also enjoyed our Valentine's Day celebrations. The kids loved filling their friends mailboxes with cards and goodies! They learned how good it feels to GIVE! They also loved having a grown up visit school. They snacked, sang, danced and crafted together! Thank you all for coming. It was a super special 2 days of celebrating!

We finished February by learning about nursery rhymes. This is one of my favorite themes of the school year! Nursery rhymes are a great way for children to begin to hear rhyme. They also help to develop language and pre-reading skills. As the children recite the words to the nursery rhymes they can begin to point to the words as they say them. If you have nursery rhymes or poems that you remember from your childhood, please continue to introduce them to your child at home. Rhyming games are also age-appropriate and fun for them as well.

In March, we will be learning about nutrition. We will have a "grocery store" set up in the classroom and the children will be able to practice their writing skills by making grocery lists and taking turns being the shopper or the cashier. There are so many ways to learn through play in the grocery store!

We are looking forward to the leprechaun paying us a visit in the middle of this month. It will be two VERY exciting days!

At the end of the month we will be learning about lion and lamb weather and then finish the month learning about dental health. The four year old classes will take a field trip to Glenville Smiles dental office. They do a great job welcoming the children into the dentists office. They will make it so enjoyable that the children WANT to return to the dentist for sure! :)

Your children are making such great growth in all areas. It is exciting to watch them learn and grow! Have a wonderful March!

Secret Reader

The children love being surprised by our Secret Readers!

The secret reader should arrive at 11:10 or 2:25 to read a favorite children's book to the class. Upon arrival the secret reader should knock on the door...we will sing a little "secret reader song" and then one of us will let you in! Please see the March Secret Reader schedule below.

Indoor Clean up Day

Each year around this time we like to have an indoor clean up where parents come and help give Mayfair an extra scrubbing so the school is clean as clean can be!

This years clean up day is scheduled for Saturday, 3/2 from 9-12. Please contact Mary Marino if you are interested in joining the clean up crew.

These days often end up being pretty fun! They're also a great opportunity to get to know other families in our Mayfair community.

Muffins WITH MOM

Muffins with Moms will be held on Saturday, 3/23 from 10-11:30. Please plan to join us for free play time at the school where the moms or grandmothers can have a snack and socialize while the kids play. I will plan to bring muffins but if anyone wants to show off their baking skills, you are welcome to bring muffins as well!:))

4 Year Old Dentist Office Visit

On Friday, March 29th the four-year-old classes will visit the Glenville Smiles dental office located at 170 Saratoga Road in Scotia.

*The morning class will leave the school at 9:00 am and the afternoon class will leave the school at 12:15.

We will follow each other to the dentist office.

We will be in the office for about 1 to 1.5 hours. Following the field trip parents are welcome to take their children home right from the office.

If I am driving your child, I will have them back to Mayfair for the normal 11:30 or 2:45 pick up time.

*Please let me know if your child will need a ride to and from the dentist office. I am happy to drive them.

The Glenville Smiles waiting area is small. There will be room for some parents to stay but maybe not all. You may want to plan a Target, grocery store or D&D run during that time.:)

MARK YOUR CALENDARS!

Over the break I was able to set up our last field trips of the school year. Please mark your calendars with the dates. I will be in touch with more information.

A concern has been brought to our attention by a resident of the neighborhood behind the school. She let me know that there is a sign posted underneath the speed limit sign that states that there is no parking on the right side of the road from that sign to the corner of Glenridge and St.Stevens Lane. She is concerned about the potential dangers of having cars parked on that side of the road. It limits visibility for cars pulling in and out. For everyone's safety, please do not park on the right side of the road between the corner of Glenridge Road and the speed limit sign on Saint Anthony Drive. Thank you.
