Holiday Recess

Hello Mayfair Families,

October was a full month of learning both inside and outside of the school. We had three great field trips to the firehouse and the 4 year old classes enjoyed one last fall field trip to Ellms farm! It was a beautiful day! We picked our pumpkins and had a great time playing all around the farm!

The children are playing happily at school these days. They are developing some wonderful friendships! Through our play we are learning many social skills and practicing using kind words with each other. The children are learning about cotton ball words and actions and sandpaper words and actions. Cotton ball words and actions are helpful and make our friends feel happy while sandpaper words and actions can hurt our friend's feelings. We are also practicing taking care of our friends by covering our coughs and sneezes in our elbow. I demonstrated an uncovered sneeze to the students by pretending to sneeze and spraying them with a water bottle so they could see and feel the water droplets. They thought this was wildly funny but also learned how their germs spray if they don't cover their coughs and sneezes.

Along with our social skills we are also practicing academic skills such as sorting, patterning, name recognition and writing, counting and 1:1 correspondence, just to name a few! We have been busy, that is for sure!

I want to thank all of the grown ups that came to school for pumpkin day! We had great participation for this fun event! The children and their adults worked together to plan, clean out and carve their pumpkins together. Some friends painted their pumpkins, too! The kids loved the opportunity to show off their school. It was a great day and we thank you all for coming!

In November we will be learning about fall, families and Thanksgiving. We will also enjoy Thanksgiving feasts together! I am so thankful for all of our Mayfair friends and families!

-Ms. Chris
