STUDIO

the guide to a perfect shoot

WELCOME

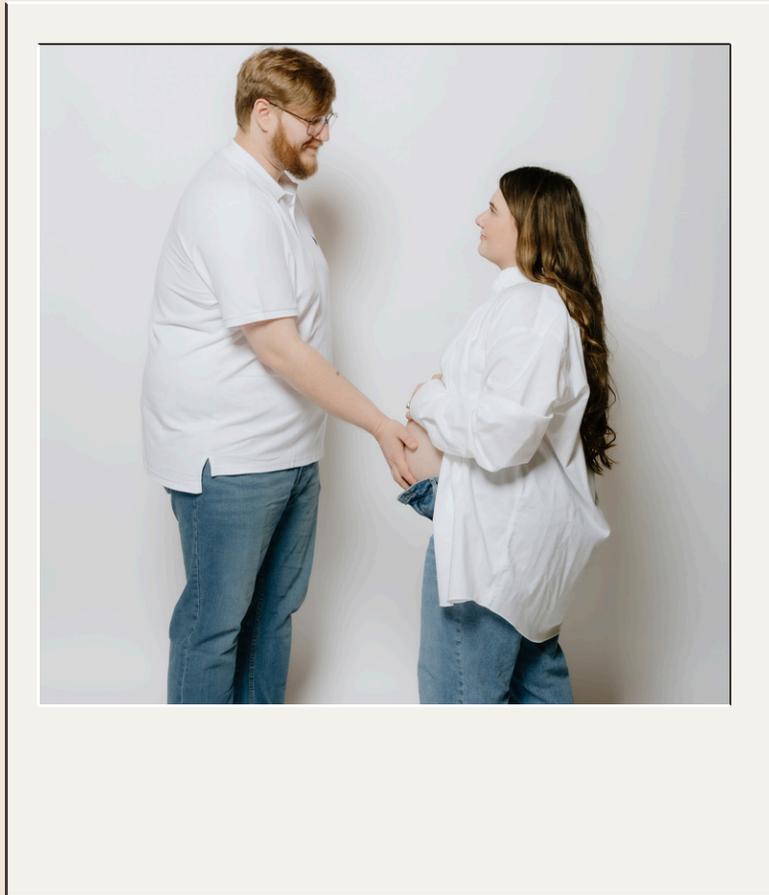

welcome to my studio guide. i'm so glad you're here and considering me to bring your vision to life. my studio is a fully styled, creative space designed to offer a wide variety of looks all in one place. from exposed brick walls to multiple lighting setups, including studio flash and spotlight options, a large collection of props, and several colors of seamless paper backdrops, there's so much to work with to create something unique.

whether you're booking for maternity, headshots, branding, newborn sessions, birthday shoots, or anything in between, every session is fully customizable. my goal is to create an experience that feels easy, inspiring, and tailored specifically to you. no matter your vision, we can bring it to life together in a way that feels authentic and true to your style.

—Chloe

WHAT TO EXPECT

- A private, comfortable studio space where you can relax and feel completely at ease
 - A welcoming environment designed to make you feel confident from the moment you walk in
 - Full posing guidance throughout your session — no experience needed
- Direction with expressions, movement, and small details to create natural, flattering images
- Access to a variety of props, backdrops, and styled sets to fit your vision

HOW TO PREPARE

- Try on your outfits ahead of time to make sure you feel confident and comfortable in what you've chosen
- Arrive with clean, dry hair and natural makeup if you're not having it professionally done
- Moisturize your skin the night before and day of for the best results
 - Get a good night's sleep and stay hydrated so you feel your best
 - Bring any props or personal items you'd like to include to make your session more unique
 - Feel free to send me inspiration photos beforehand so I can better understand your vision

I love bringing creative ideas to life, and if you have a vision in mind, I'd be happy to create a setup tailored specifically to you. My studio is stocked with a wide variety of props, textures, and styling elements that can be customized to fit nearly any theme. Whether you're looking for something bold and editorial or soft and minimal, we can design a set that aligns perfectly with your vision. I also offer a selection of paper backdrops for a clean, classic look, along with drapes, rugs, and layered details to add depth and dimension to your images.

MY PROCESS

- We'll complete your session
- Within 1 week, you'll receive a gallery of all unedited images (typically hundreds)
- You'll go through the unedited gallery and select your favorites for editing
- Once you let me know your favorites are finalized, I'll begin editing
- Your edited images will be delivered 1 week from the date you confirm your selections

If you'd prefer that I select the best images for you, I'm more than happy to do that, just let me know at the time of booking or when your gallery is delivered.

Q & A

Where is your studio located?

My studio is located in downtown Johnson City. Full address and entry details will be provided after booking.

What does the studio include?

The studio features exposed brick, professional lighting (including studio flash and spotlight options), a variety of seamless paper backdrops, and a large collection of props, drapes, and rugs to create a fully styled look.

Can I customize my session?

Yes. Every session is fully customizable. I can create a setup tailored to your vision, whether you want something simple and clean or more styled and editorial.

Do you provide posing guidance?

Yes — I guide you through the entire session, including posing, movement, and expressions, so no experience is needed.

Can I bring someone with me?

Yes, you're welcome to bring a guest if it helps you feel more comfortable. Just let me know ahead of time.

How do I book a session?

You can book by texting me, sending a message on Instagram, or emailing me.

What is required to book?

A retainer is required to secure your date. The remaining balance is due before or on the day of your session.
