

Wedding Photography

Hey there, lovebirds! I'm Chloe, your resident storyteller with a camera in hand and a heart for the joyful mayhem of weddings. Nestled right here in the hills of Johnson City, TN, I've been weaving light and laughter into love stories for over three years now.

My journey began under the wing of the incredible Hannah Davis of Wild Artistry Photography. From her, I learned that wedding photography isn't just about capturing pretty pictures (though we'll definitely get those!); it's about preserving the raw, tender moments, the belly laughs, the stolen glances, the tears of joy that whisper, "This is it. This is everything."

Ever since I started my photography journey, I've been hooked on chasing those whispers. Whether it's the golden glow of sunrise on Roan Mountain as you say "I do," or the twinkle lights painting your first dance at a historic downtown ballroom, I'm there to soak it all in and translate it into timeless images.

Your wedding day is your adventure, and I'm here to navigate the journey with you, capturing every bump, twist, and joyful explosion along the way.

I can't wait to hear your story and start crafting the visuals that'll have you reliving the magic for years to come.

"Best photographer around!
incredibly sweet and organized."
