

# HOME HEALTH MOBILE LAB SERVICES

# RELIANT SCIENTIFIC

## PATIENT SAFETY & COMFORT IS OUR TOP PRIORITY

### Our **Concept**

We offer **mobile lab services** for homebound patients in order to create a comfortable and safe environment for the patients to get the diagnostic testing they need.

### Who **Qualifies**

Qualified patients have documented **DX Code Z74.2**. This code includes fall risks, aid of support device, special transportation, physical assistance, and/or inability to leave the home.

### The **Coverage**

We accept **all insurances** and also abided by the No Surprises Act.
