

The Social Venture Café

***Social Venture Start-ups Serving Our Community's Needs
Through Innovation***

A Common Understanding

The Breakaway Social Venture Start-up Framework

Stage 3 - Step 1

A Common Understanding

~Building a Shared Understanding of the Community ~

A Common Orientation

Building A Shared Understanding Of The Community

Building A Shared Understanding

- Clarifying community boundaries, segments, and dynamics
- Exploring your community field of interest focus area
- Identifying community stakeholders , their roles, and interests
- Creating your community ecosystem map to tie it all together
- Building your own glossary of terms and roster of organizations

Building a shared understanding of the Community and the Field of Interest that will be the focus of the team's work

Community Boundaries, Segments, & Dynamics

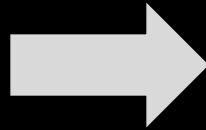

Community Field Of Interest, Services & Solutions

Community Stakeholders: Roles & Priorities

Community
Stakeholders:
Roles & Priorities

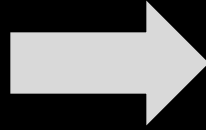

Identification & Role Description

Stakeholder Hierarchy Classification

Primary Interests & Priorities

Influence & Impact Assessment

Social Challenge, Need, Problem Areas:

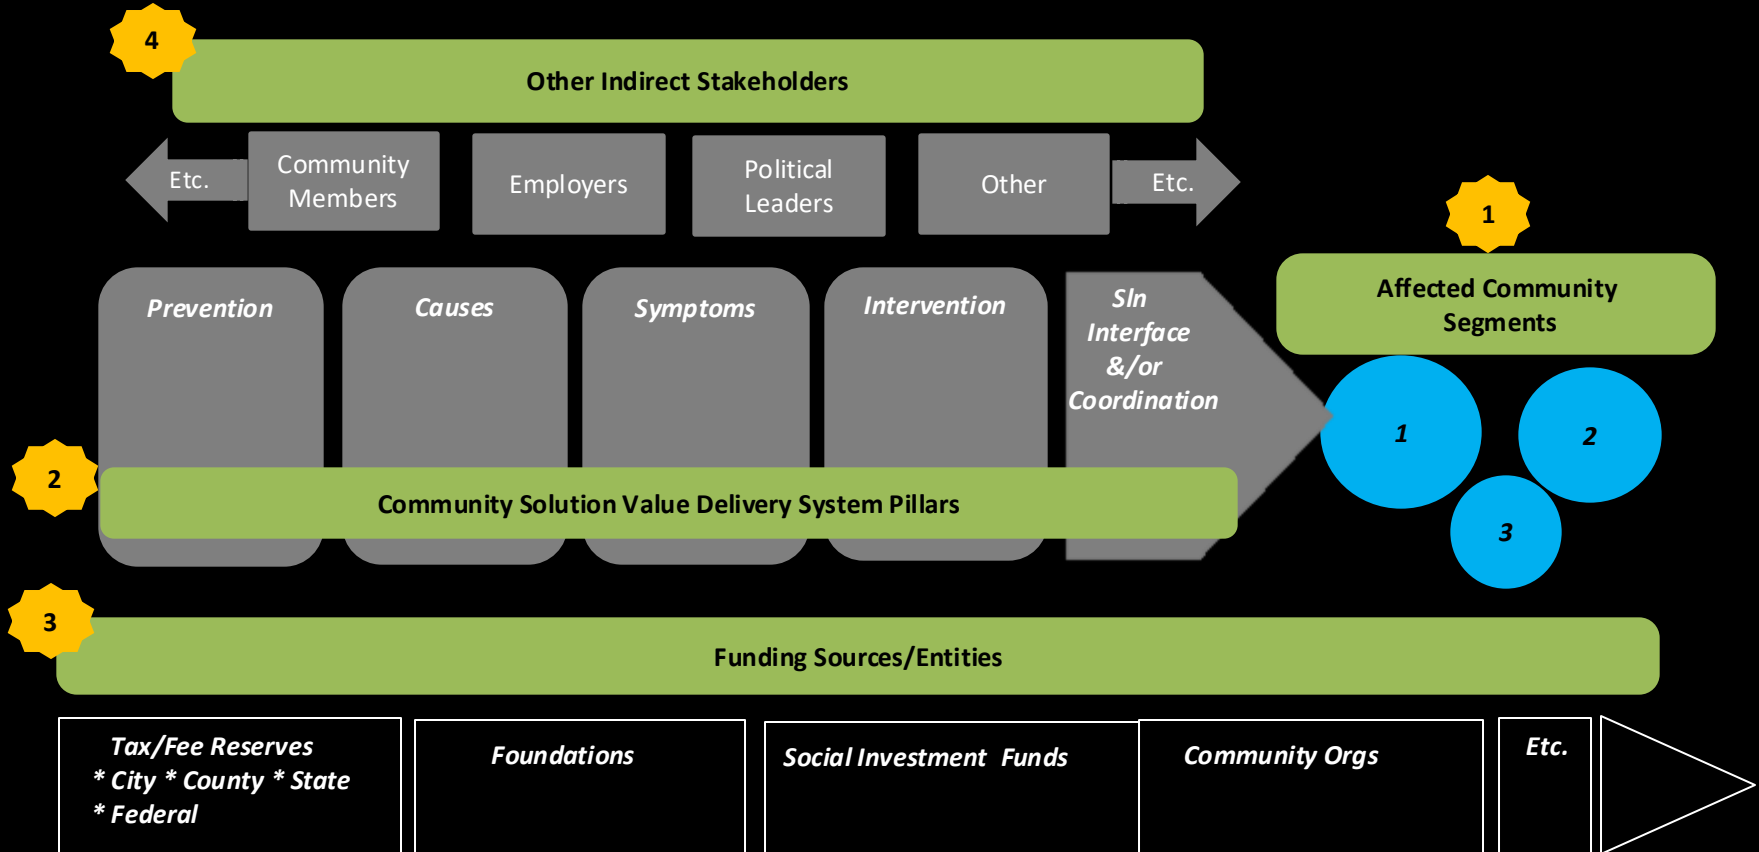

- ***Service & Advocacy Organizations***
- ***Primary Interests***
- ***Sponsors & Supporting Funders***

Community Ecosystem Map

- Visual Representation Of The Community & Field Of Interest
- Highlights Community Profile, Dynamics, & Relationships
- Developed Collaboratively To Drive Alignment & Insights

Community Solution Ecosystem Map

Community Solution Ecosystem Provider Roles

Prevention

Focus is on the person (s); helps the person (s) avoid being impacted by the current causes)

Cause

Focus is on changing the short &/or long-term environmental/systemic factors impacting the person (s)

Symptoms

Focus is on the person (s) ; activities address the short-term negative impacts of being affected

Intervention

Focus is on helping person (s) achieve long-term relief from being affected by the cause or in suffering as an effects

Solution Interface &/or Coordination

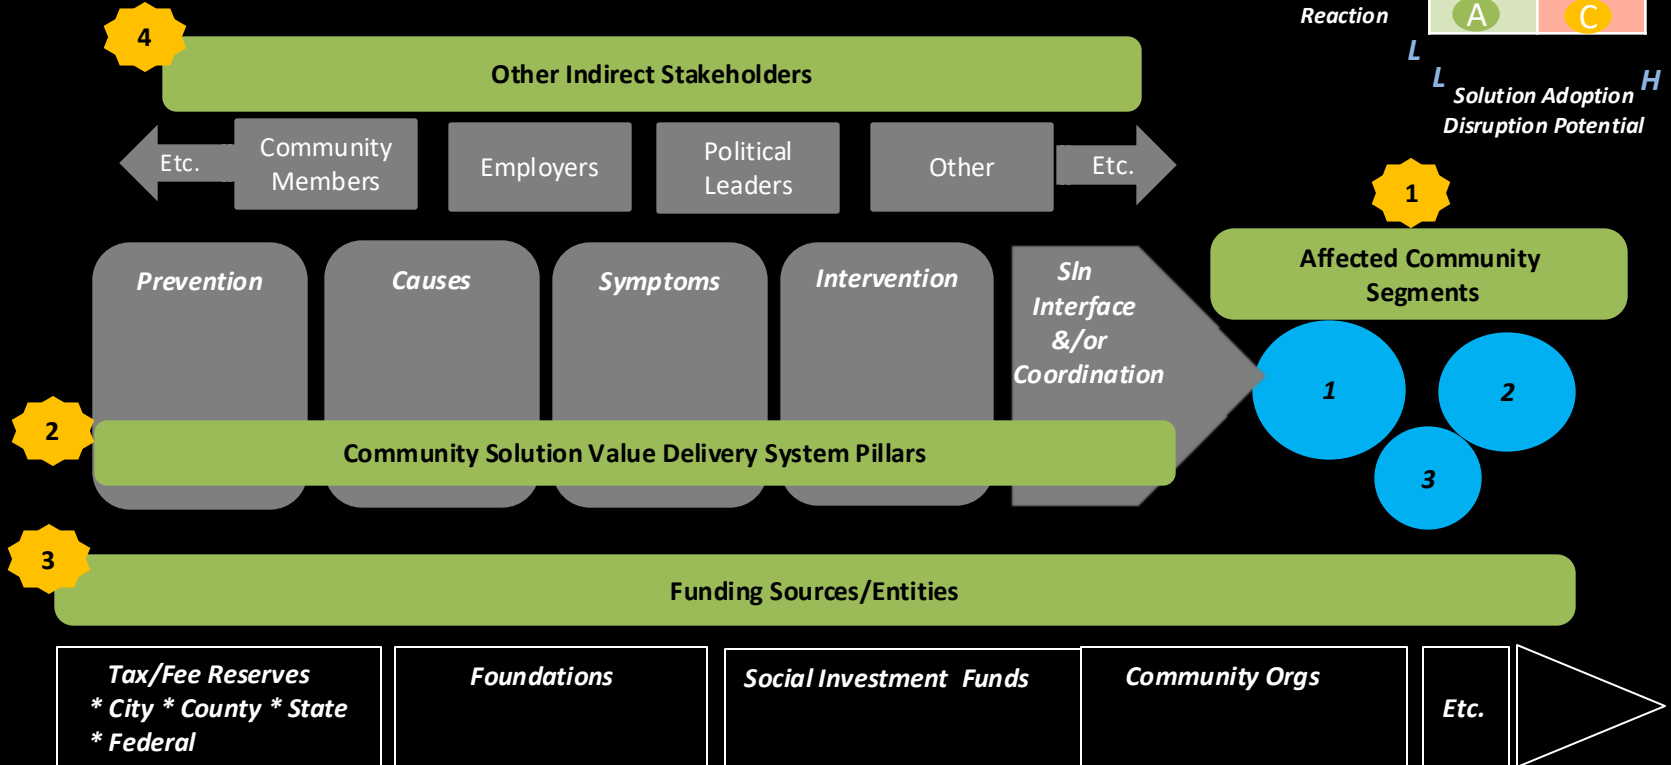

Focus is on helping person (s) navigate a range of solutions/solution elements being delivered by multiple prevention, cause, symptoms, and/or intervention-focused solution providers

Community Solution Ecosystem Map

indirect Stakeholders: People & Organizations not covered in areas 1 thru 3 of the ecosystem model that have/would have a Social, Political, Emotional,&/or Economic interest in a change to the ecosystem status quo.

Ecosystem Solution Reaction Chart

Likelihood Of Strong Reaction	H	B	D
	L	A	C
	L	Solution Adoption Disruption Potential	
	H		

Summary

- Process is a way to build a shared understanding of the community
- Encourages teamwork & will produce new community insights
- Work helps avoid costly “didn't know what I didn't know” surprises
- Avoid “Analysis-Paralysis”As new learnings & Insights emerge update materials & discuss

Backup

~Ecosystem Gap and Value Opportunity Assessment Tools~

Gap Assessment/Heat Map

	VDS: Prevention Slns	VDS: Cause Elim. Slns	VDS: Symptom Treatment Slns	VDS: Intervention Slns	VDS: Interface &/or Coordination Slns	Funding: Orgs/ Entities / Capacity	Other: Indirect Stakeholder Satisfaction
Sufficiency of (i.e., # of and range of) A							NA
Accessibility to B							NA
Solution Value Experience Delivered: (i.e., Efficiency/ Effectiveness/ Optimization) C							
-VDS: Prevention Slns							
-VDS: Cause elim. Slns							
-VDS: Symptom treatment Slns							
-VDS: Intervention Slns							
-VDS: Interface &/Or Coord Slns							
-Funding: Orgs/Entities/Capacity							
-Other; Indirect stakeholder Satisfaction							

A + B : Ratings should be from the point of view of the affected community members/groups

C : Ratings should be from the point of view of the noted Ecosystem area member

Ratings: 1 = Poor
2 = Satisfactory
3 = Very Good
4 = Excellent

Value Assessment Model

Notes – Implications – Applications – Action Plans

Page 1

Notes: Observations – Thoughts – Insights - Follow-up Questions

Implications: In what way will using these ideas/tools help me in achieving success?

Notes – Implications – Applications – Action Plans

Page 2

Application: How will I specifically apply these ideas/tools to my start-up activities?

Action Plans: When will I apply these ideas/tools to my start-up efforts and what outcomes will I try to achieve as a result?
