ABOUT BRENT & KYLE PEASE

Brent and Kyle Pease are the groundbreaking brother duo behind some of the most inspiring moments in endurance sports. As co-founders of **The Kyle Pease Foundation (KPF)**, they have spent over a decade advancing inclusion; on race courses, in workplaces, and in communities across the country.

FEATURED KEYNOTE:

Together We Wheel takes the audience on a transformative ride. From the starting line of the brothers' first race to the triumphant finish in Kona at the IRONMAN World Championship. Through personal stories of perseverance, teamwork, and unbreakable family bonds, Brent and Kyle Pease share how they defied expectations and found purpose in pushing forward, *together*. Whether you are a team of corporate professionals, educators, students, or athletes, this keynote is designed to move, challenge, and inspire.
