The Noble Foundation participated as a vendor at the 2017 Peace & Justice Fair at Esther Short Park with a host of local community organizations including Emergency Response Network Against Hate (ERNAH). The day was filled with little visitors, furry visitors, and community organizers. A special thank you to the National Association for the Advancement of Colored People (NAACP) – Bridgette Fahnbeullah, President for ensuring we were located nearby and support at the event.

COMMUNITY FUNDING

ESSENTIAL NEEDS

In February 2017, in response to Kelso, Longview, Woodland, and Woodburn community concerns regarding essential needs due to local ICE raids in these areas. Sarah Chivers, fundraised \$6,000.00, that has been distributed directly to families to ensure housing, clothing, utility bills, food, and transportation was accessible.

“Thank you Hector for being present at the 2017 Peace & Justice Fair. You shared your wisdom and knowledge and we look forward to working with you again soon!” We join you in the movement towards social justice and EQUITY...

OUR COMMUNITY SPEAKS

PICTURES ARE WORTH 1000 WORDS

The Noble Foundation will be partner with South Kelso Community Health Advocates to host South Kelso’s first photo-voice presentation. We will use photos to showcase and highlight “The Good, The Bad, and The Ugly” of South Kelso. This event will be held on Saturday, December 9, 2017 from 2:00 pm – 5:00 pm (PLEASE MARK YOUR CALENDARS). The showcase is scheduled to be at 3 Rivers Cinema located near the 3 Rivers Mall, just off I-5.

The Noble Foundation and South Kelso Community Health Advocates assisted in the clean-up at the 3 Rivers Cinema after a break in where racial slurs and property damage was found. We provided service with care, compassion and understanding to ensure the theater was available for the yearly “Halloween Haunt”....Thank You Treadway Events!! and a special THANK YOU to Brandon Treadway for treating us with respect and integrity while we “healed our community”.... 😊
