

## Mid-Mitten Montessori Consent for Photography/Video Taping

During the school year, we may take photos of children engaging in various tasks, such as completing work or participating in special events. We will never share these photos on social media, news outlets, or school promotional materials. All photos will be used exclusively to share with current parents about classroom activities.

- Yes: I consent for my child's photo to be taken and shared exclusively with current school staff and parents.
- Yes: I consent for my child to be video-taped and that the content can be shared with current school staff and parents
- No: I do not want my child photographed
- No: I do not want my child videotaped
