Re: Garthwood Park Playground Replacement

Dear Neighbours,

I have been working with City staff on making positive improvements to parks in Ward 8.

I am pleased to let you know that **Garthwood Park** will be one of the sites that will receive a new playground.

The work includes:

- Replacement and expansion of playground equipment
- Engineered wood mulch safety surfacing
- Paved trail connections
- Accessible playground ramp
- Benches

Construction will take approximately eight weeks to complete, weather permitting. The playground will be closed starting May 20th to accommodate construction activities and will re-open mid-July.

For alternative playgrounds during the closure, please visit:

- Tom Chater Memorial Park (north playground located at Baird Crt (1km walk distance)
- King's Masting Park located at 3389 Martin's Pine Cres. (1.9km walking distance)

As always, please reach out at any time if you have any questions or concerns.

Warmest regards,

Matt Mahoney
