I want to serve all Georgians as the next House Representative for District 56.

- **As the former speech writer for a US Asst. Surgeon General while working at CDC, please #socialdistance. COVID-19 doesn't discriminate!**
- **My doctorate work includes policy, diversity & inclusion, ethical leadership, crisis communication, education reform, and human service budgets.**
- **I am a home health physical therapist, helping seniors and veterans almost 20 years.**

SHE Campaign

I may be the only woman candidate in the race, but I'm also the most qualified. I worked at CDC, I understand prevention (especially during a crisis). My doctorate work is in diversity & inclusion, ethical leadership, policy, and crisis communication. I'm a parent, daughter, active church member, educator, and healthcare provider nearly 20 years.
