

In Door/Out Door

16 round/ 80 Point – Comstock

Start Position - Standing in shooting area, toes touching marks on either side of shooting area, shooter's choice. Handgun is loaded and holstered.

Procedure - On signal, engage targets from within the shooting area and inside building as they become visible.

Scoring - 2rds per paper

Targets - 8 IPSC Metric

Start/Stop – Audible/ Last shot.

NOTE: Windows 1 & 2 are closed and must be held open, they close automatically when released. Window 1 activates swinger 1, Window 2 activates swinger 2. Swingers 1 & 2 are not visible from anywhere, until activated, they do not disappear. Target 2 is visible thru either window.

The DARK ROOM simulates a 4 foot high crawl space. Shooting will be through the port. It will be dark, you will require a light source to see targets 4, 5 and 6.

Shooters may use their own light source if carried on their person the entire match. Weapon mounted lights & Lasers may be used if mounted on the weapon the entire match. The match will supply a light source for those without.

Warning breaking the 180 will result in DQ. Flagging yourself when opening doors or windows will result in DQ....

Disclaimer – Final setup may look different due to safety and range limitations. However number of and types of targets will remain the same.
