

November 28, 2023

Give opportunities to help students in our community that need us the most right now

City Life Center's new esports afterschool club is an exciting new way to engage youth and help develop important life skills, build strong relationships, & spark an interest in learning.

You can help provide essential esports/STEM gear such as gaming computers, refresh rate monitors, upgraded mics, keyboards, gaming headsets, gaming chairs, and more!

Social & academic benefits for students include:

- Building & maintaining friendships
- Communication & collaboration
- Increase self esteem
- Strategy, critical thinking, & decision skills
- Create interest in STEM

GOAL IS TO RAISE \$10,000
