Robert has gone from our realtor to our friend. We are looking forward to doing some fishing together.

Tim & Trina

Robert represents everything you think about island living..... laid back, no pressure, and an "It's all good" life style.

When you are ready to live on "island time", call Robert!

John & Barb Polek

We worked with Robert for 2 years until we finally decided to buy. Robert was very knowledgeable of the area and responsive to our needs. There was never any pressure to buy before we were ready....a great experience.

Grazie!

Thank You |Italian|

For 50 years we have been fortunate enough to serve so many wonderful people. From our humble beginnings in 1966, to where we are today, we have heard so many compliments on our products - especially our award winning pizza. Without you, however, we would not have achieved that level of success.

So whether you're someone who has been with us from the start, or were just recently introduced to us, we have this to say to you...

Thank you for your business and allowing us to serve you!
