Great friendships in the yacht club community

Welcome to Galloway Yacht Club's 40th Annual Opening Day. On behalf of First Lady Stacey, the Officers, Board of Governors, and members of Galloway Yacht Club, I'd like to extend our best wishes for a safe and great 2019 boating season. First Lady Stacey and I have made many great friendships that will last a lifetime since we have joined Galloway Yacht Club.

It always seems like a life time when we have to pull the boat in November before they get back in, in April. We have attended almost every opening for the last 5 years. We love being on the water and live for our weekends where our motto is "nothing by car everywhere by boat". This year will be even more special as we represent Galloway as Commodore and First Lady. I would like to thank the members of Galloway for all the support they have given us since I have been on the bridge. If you see Living the Dream on the water this season, please stop by for a drink. I like to thank everyone for coming to Galloway's 40th Opening Day.

Commodore Chris Serbeck

Thanks Galloway,
for making every
season aboard
