

New iStand

Overview

The new iStand has evolved from the feedback that we got from its predecessor, the iStand. The new iStand is slightly lighter yet sturdy enough that it won't fall over. The new iStand has a number of new features, including the ability to bolt the entire iPad to the floor.

Other features include:

- ✓ iPad Air compatible
- ✓ Fully lockable mechanism
- ✓ Hide / Unhide the home key
- ✓ Charge the iPad continuously
- ✓ Flatpack Delivery (when necessary)
- ✓ Excellent Pricing for both purchase and rental
