

Parabella Stand

- Ultra slim line and modern design stand system, the Unicol Parabella stand is the ideal solution for any large LCD display.
- For a more sophisticated and elegant look for exhibitions and conferences, these large and very stylish stands come with the optional smooth-edged shelf to complete the look.
- Any cabling can be concealed inside the legs of the stand to give it a nice neat and tidy appearance.
- The stand has a total height of 184cm to centre of screen and can facilitate screens from 32" up to 65".
