159	Euph	Both Fb should F#
160-161	Euph	Dynamics as for Solo Cort/Horns/Bart
172	All parts	All f except Euph/Basses mf

### **Movement Three**

1	All parts	Metronome mark dotted crotchet = 66
7	All parts	Metronome mark dotted crotchet = 96
11	Eb Bass	Third quaver F nat.
37	Euphs	Dotted Crotchets need accents
70	Euph 1	D should be C
117-118	Timp	The MS score is clearly an E nat. however D nat. would be preferred.
118	Eb Bass	D nat.

Our apologies for these errors but it happens when you are only given six weeks to bring a work back into print! The concert pitch handwritten score had to be expanded and transposed and a new set of parts extracted. It then had to go to the printers.

Many thanks to those band directors and players who have, with good grace, alerted me to these problems and have made this information available to all.
