HOT TOPICS:

Conversation Starter—Based on the NEW RELEASE Book

What does Business, Teaching, and Training of new leaders look like in your church?

Is the back of the house together? Are your leaders conducting business in a manner of excellence as the Bible talks about? Maybe it is time for a refresher for leaders to regain that fire again. The tailor made presentation is designed to ignite that flame to help church leaders find practical solutions to sharpen business practices.

Play Your Position!

While you are trying to be in my position, who is being in yours?

Many leaders wear multiple hats, but sometimes the responsibilities, accountability, and positioning of persons can become unclear. Learn how to recognize displacement and how to get things back on track. Recognize, Action, and Prevent

Meeting and Communications Evaluations

Are your meetings and methods of communication effective?

With COVID on the scene and virtual meetings are becoming the norm, how effective are you finding your meetings and communication methods. You will learn some techniques on evaluating these key business components, as well as practical improvement methods that will show immediate results.

NEW BOOK

Conversation Starter:

Let's Talk Business, Teaching, and Training in Churches

A must read for leaders in ministry, including teachers and trainers! A training resource for your leadership teams.
