Happy Earth Day!

Place the seed bombs in a sunny area and surround them with moist soil. Make sure they get plenty of water for germination to grow wildflowers. For best results, you can soak them overnight before planting.

OCEAN PLASTIC®

Parley Ocean Plastic® is a range of premium materials made from upcycled plastic debris intercepted in areas where mismanaged waste poses a threat to marine life and coastal communities.

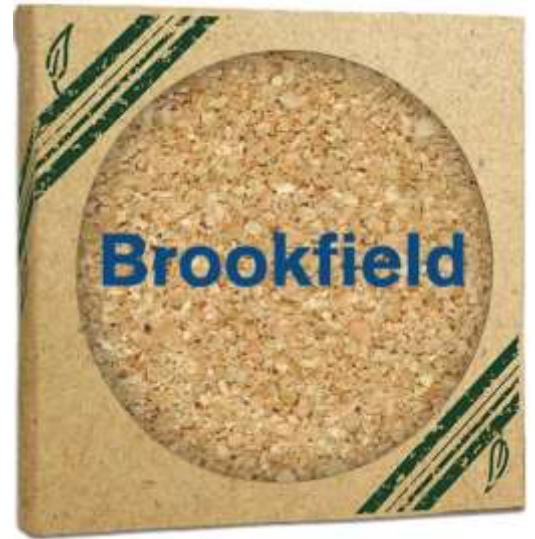

Out of the Ocean® uses Ocean Plastic® yarn for our woven rPET bags.
