

BILLPAY COIN

Project Overview

- BillPay Coin (BPC) — India's First 0% Fee Token for Credit Card Bill Payments
- Built on BNB Chain — Fast, Low-Cost, Transparent

What we've Built So Far

- Token deployed on BNB Chain
- Website: billpaycoin.org
- Whitepaper, Pitch Deck, Tokenomics Ready
- Airdrop Campaign on Zealy
- Telegram, Twitter, Discord Live

Why Now ?

- 01 **90M+ Credit Card Users in India**
- 02 **Users Frustrated by Hidden Charges**
- 03 **Crypto Adoption Rising Rapidly (India #1 globally)**

Problems

01

Most credit card apps (CRED, Mobikwik, etc.) charge hidden fees (1–2%)

02

Users lose thousands every year due to these charges

Solution

Token-based gateway using \$BPC -

- 0% Payment Fees
- Users Earn Tokens on Every Payment
