I'm a retired union ironworker. I worked 40 years all over the country. But most of my time was spent in Northern California, 28 years in Sacramento.

I was born in Washington DC and lived there until I finished my apprenticeship around 1975. I started traveling and working my way out west. I met my wife Sandy in 1978, when I came up here to work at Hanford. We married a short time later and will celebrate 38 years this November.

My hobbies include golfing and fishing. Also, I spend a lot of time with family. Since moving here, we have several in-laws living right here in Meadow Springs. I also do volunteer work for Meals-on-Wheels, one day a week.

I am currently serving as President of the Heights at Meadow Springs HOA Board.
