Greetings!

My name is Kerri Manterola and I'm a board member volunteer whose task it is to update the Home Owners Association website.

My husband, John and I moved to "The Heights at Meadow Springs" in June of 2012. John has been in the car business since 1978 and I have retired from the Pasco School District. I currently try to keep up with our new Havanese puppy, Chuy and our children, grandchildren and many family members who all live in the Tri-City area keep us busy as well.

How did I get to the Tri-Cities? As a young child, my family and I moved to the "Basin" in 1966 where my father started work for the South Columbia Irrigation District. My 8 siblings and I had a great childhood growing up in the Franklin County farm country. I met my husband John at Connell High School where we both graduated. After marriage, we moved to Pasco and raised a family. In 2018, we celebrated 40 years of marriage. Whoo Hoo!

Our current home at "The Heights at Meadow Springs" is what we lovingly call our "coffin" house. We love it here!
